The Last Thread

unseen tiny tales

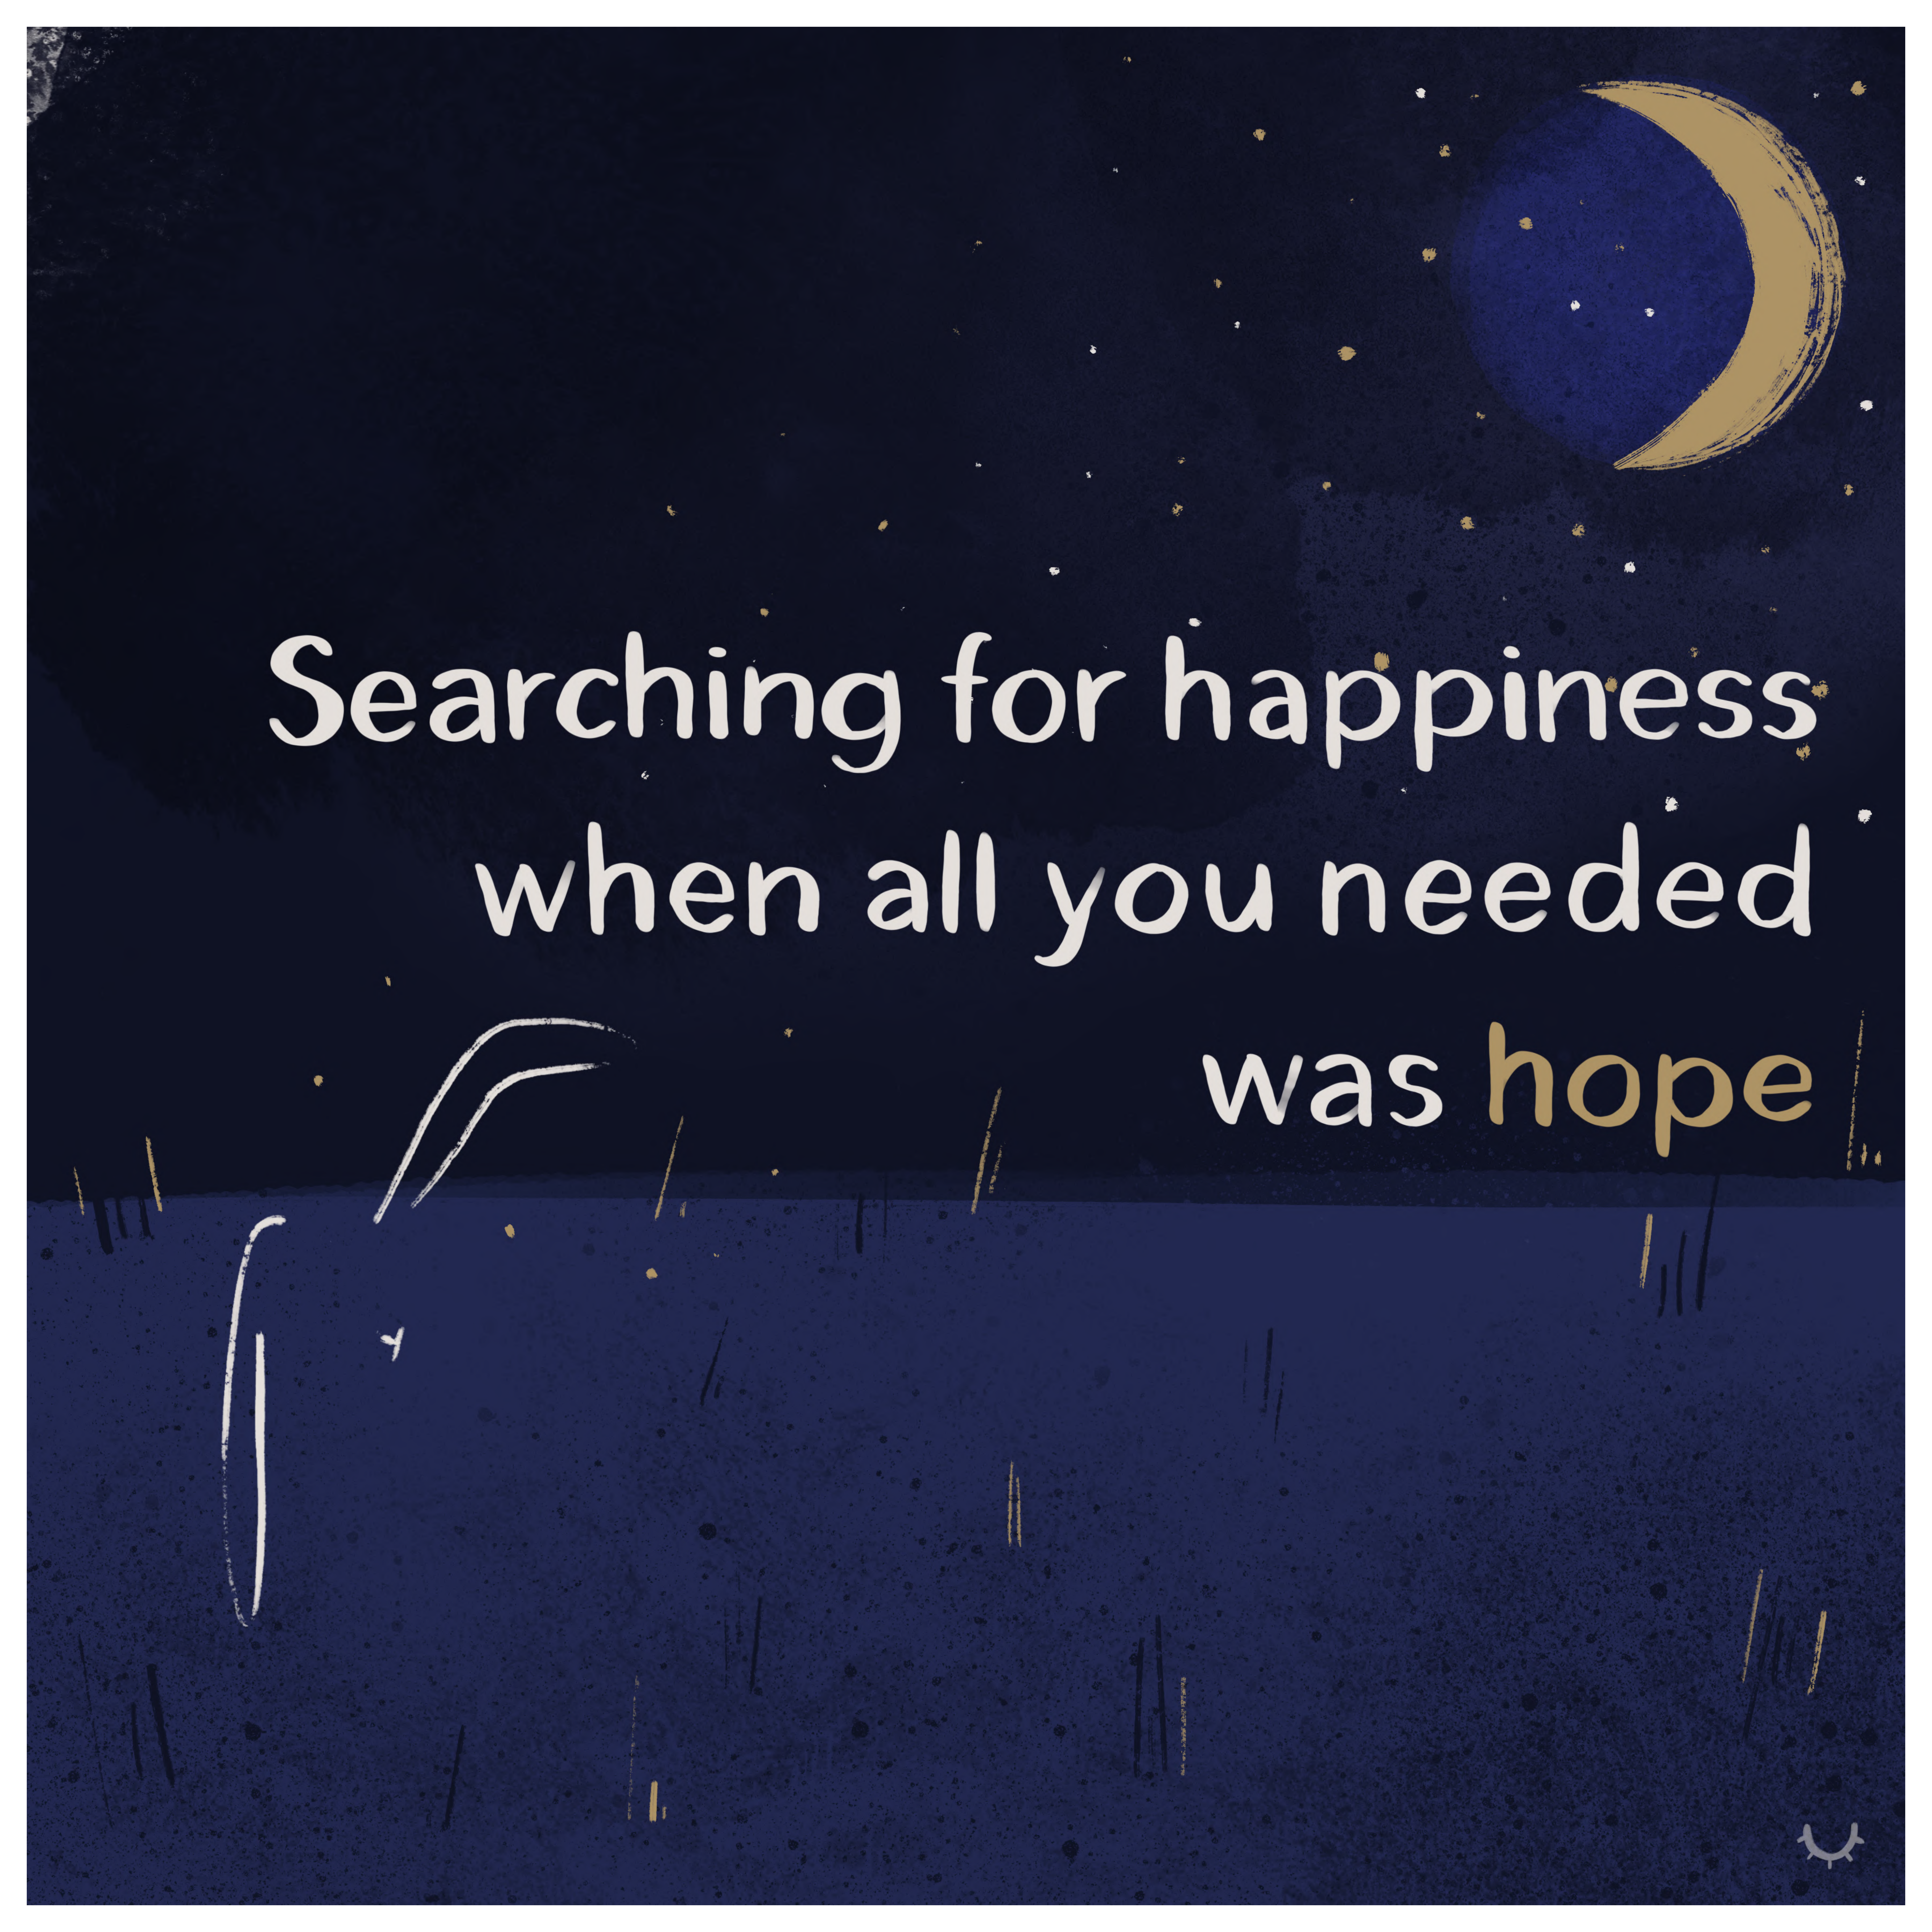

When you are **lonely**
nothing seems
to feel right

It has been a long
time since you were
so carefree

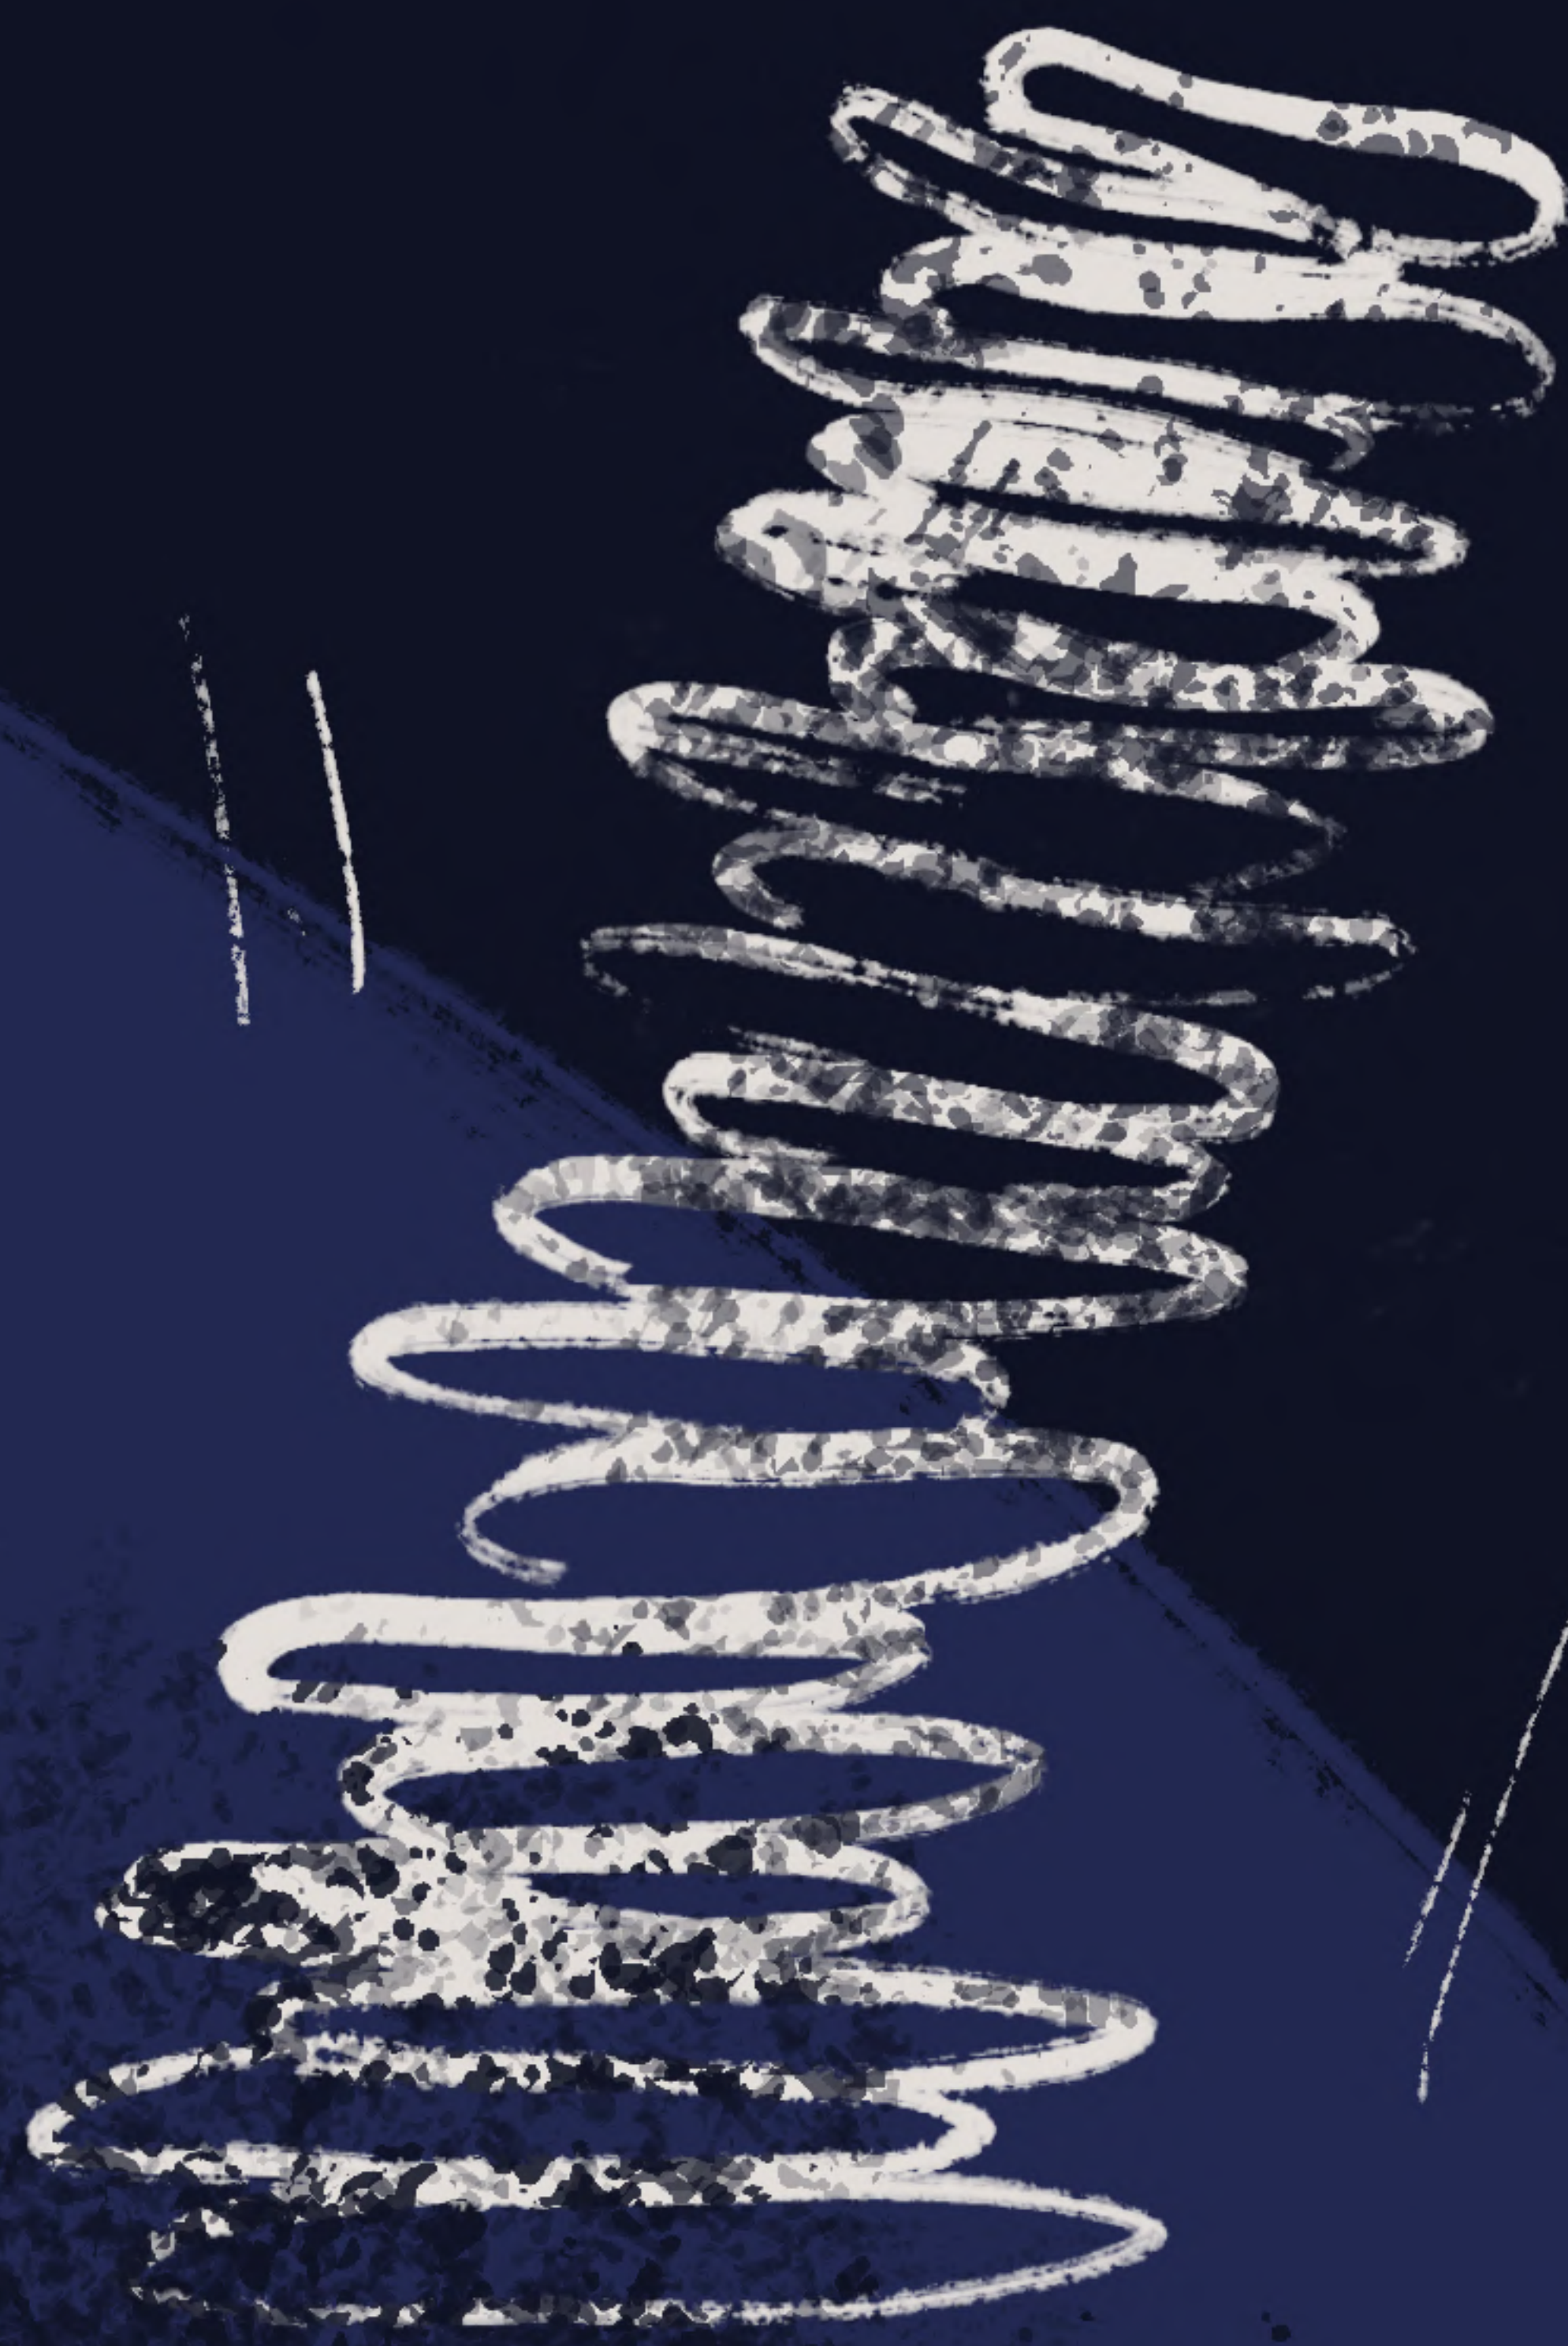

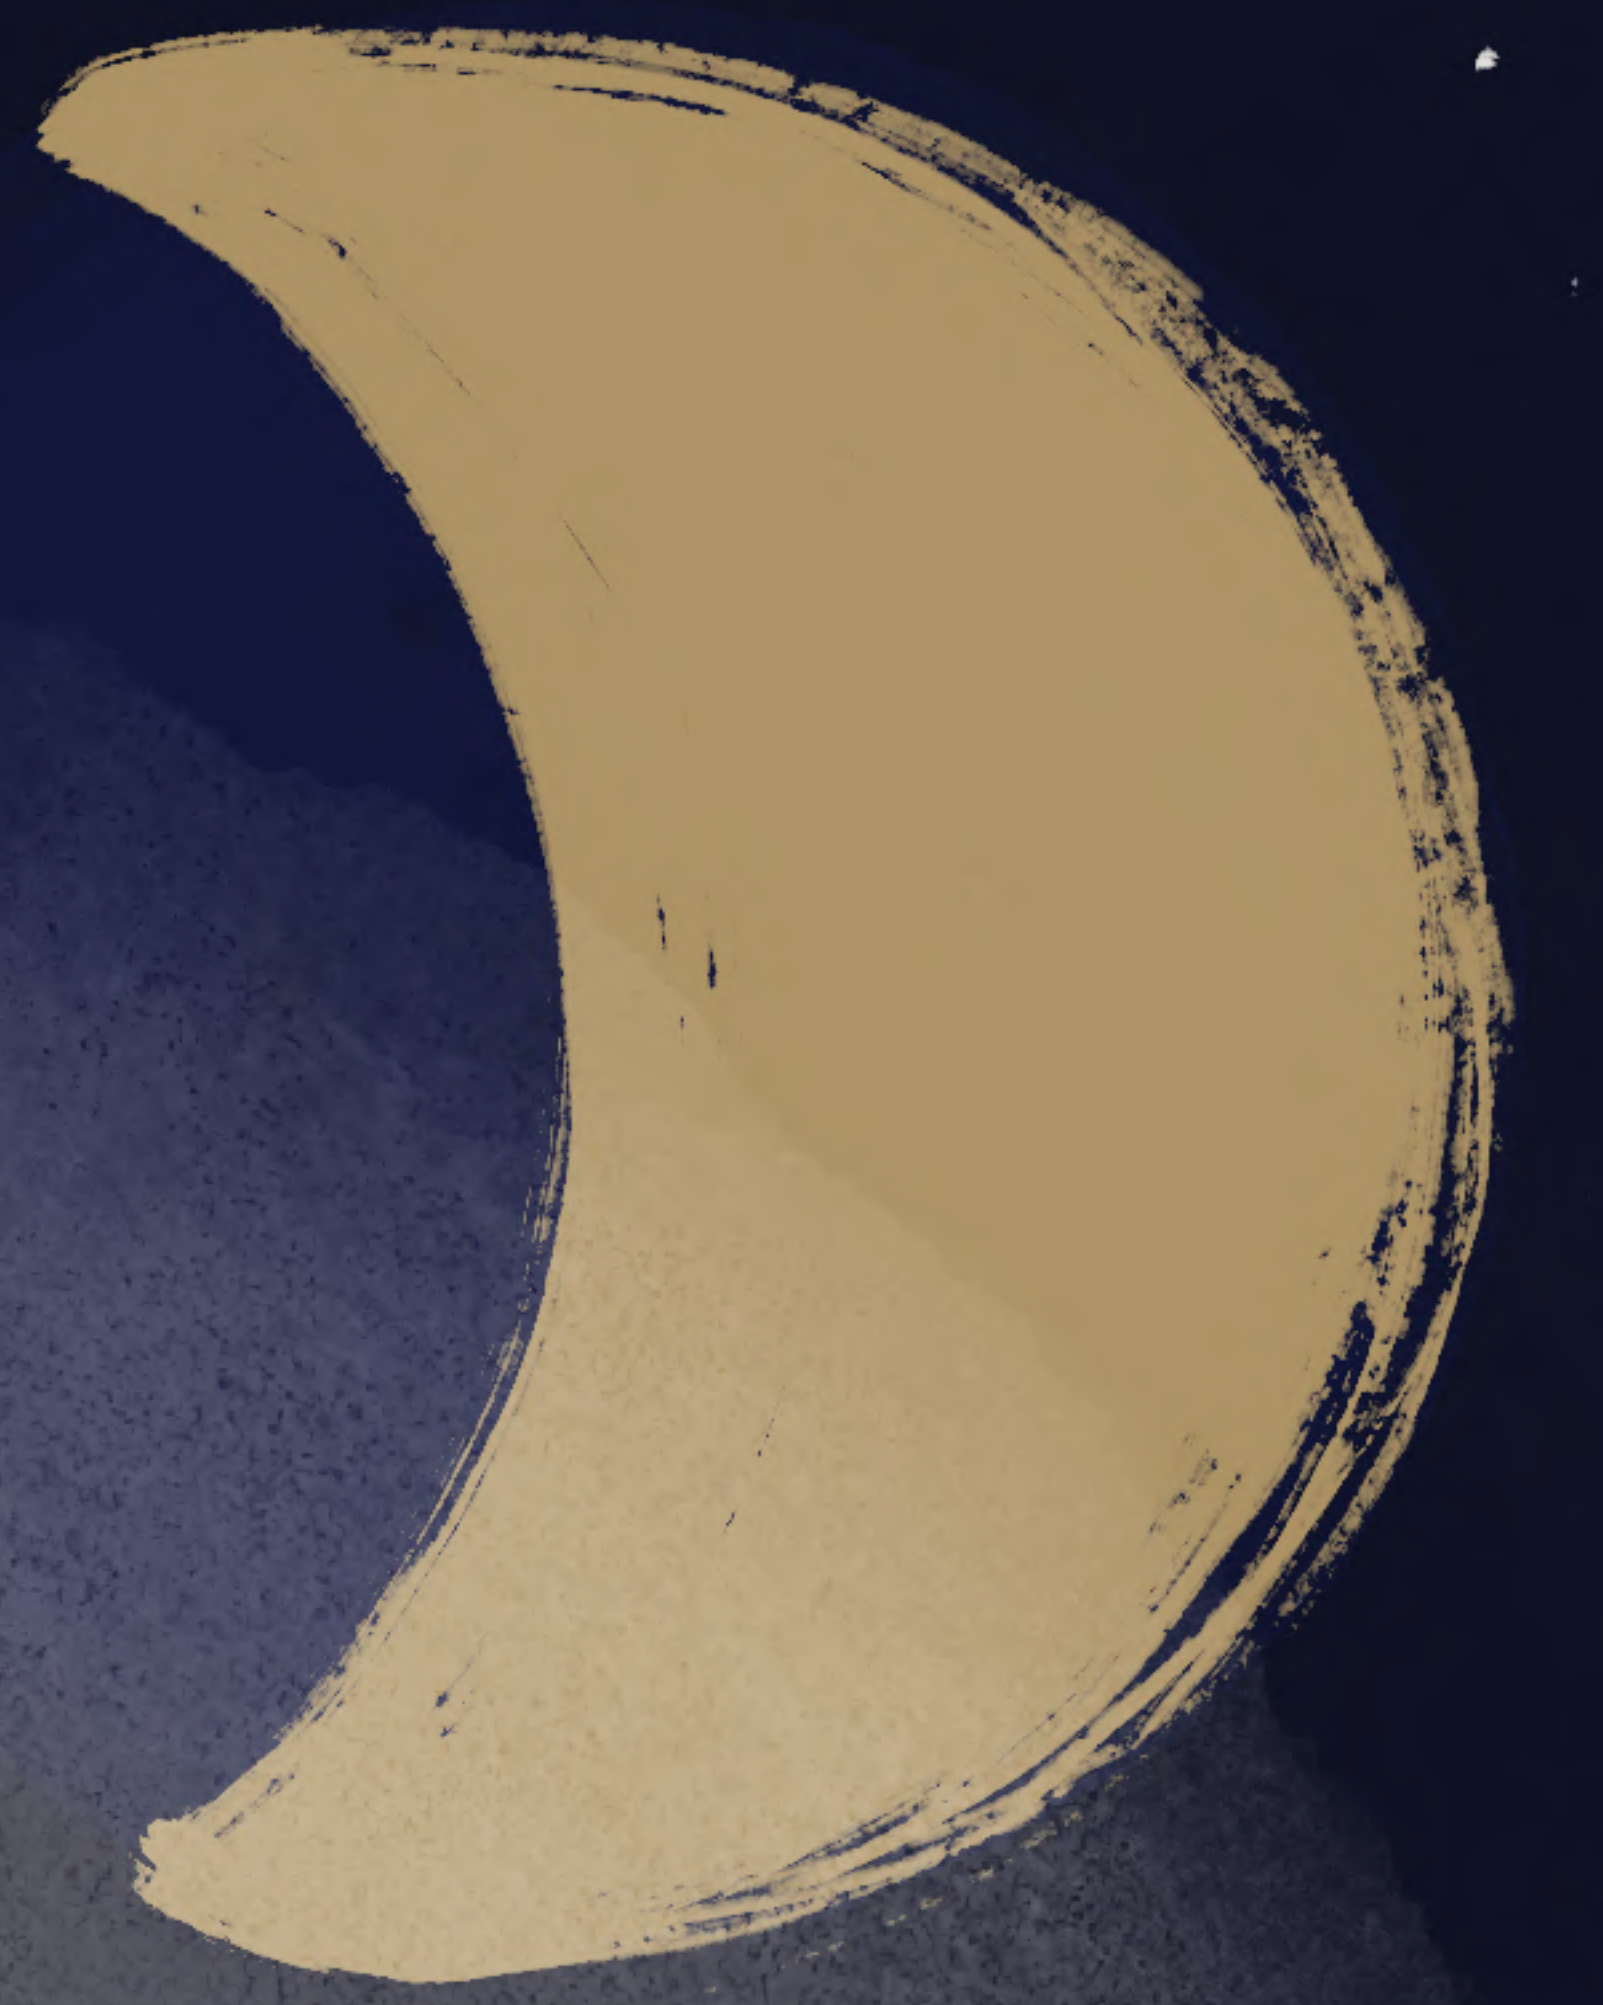

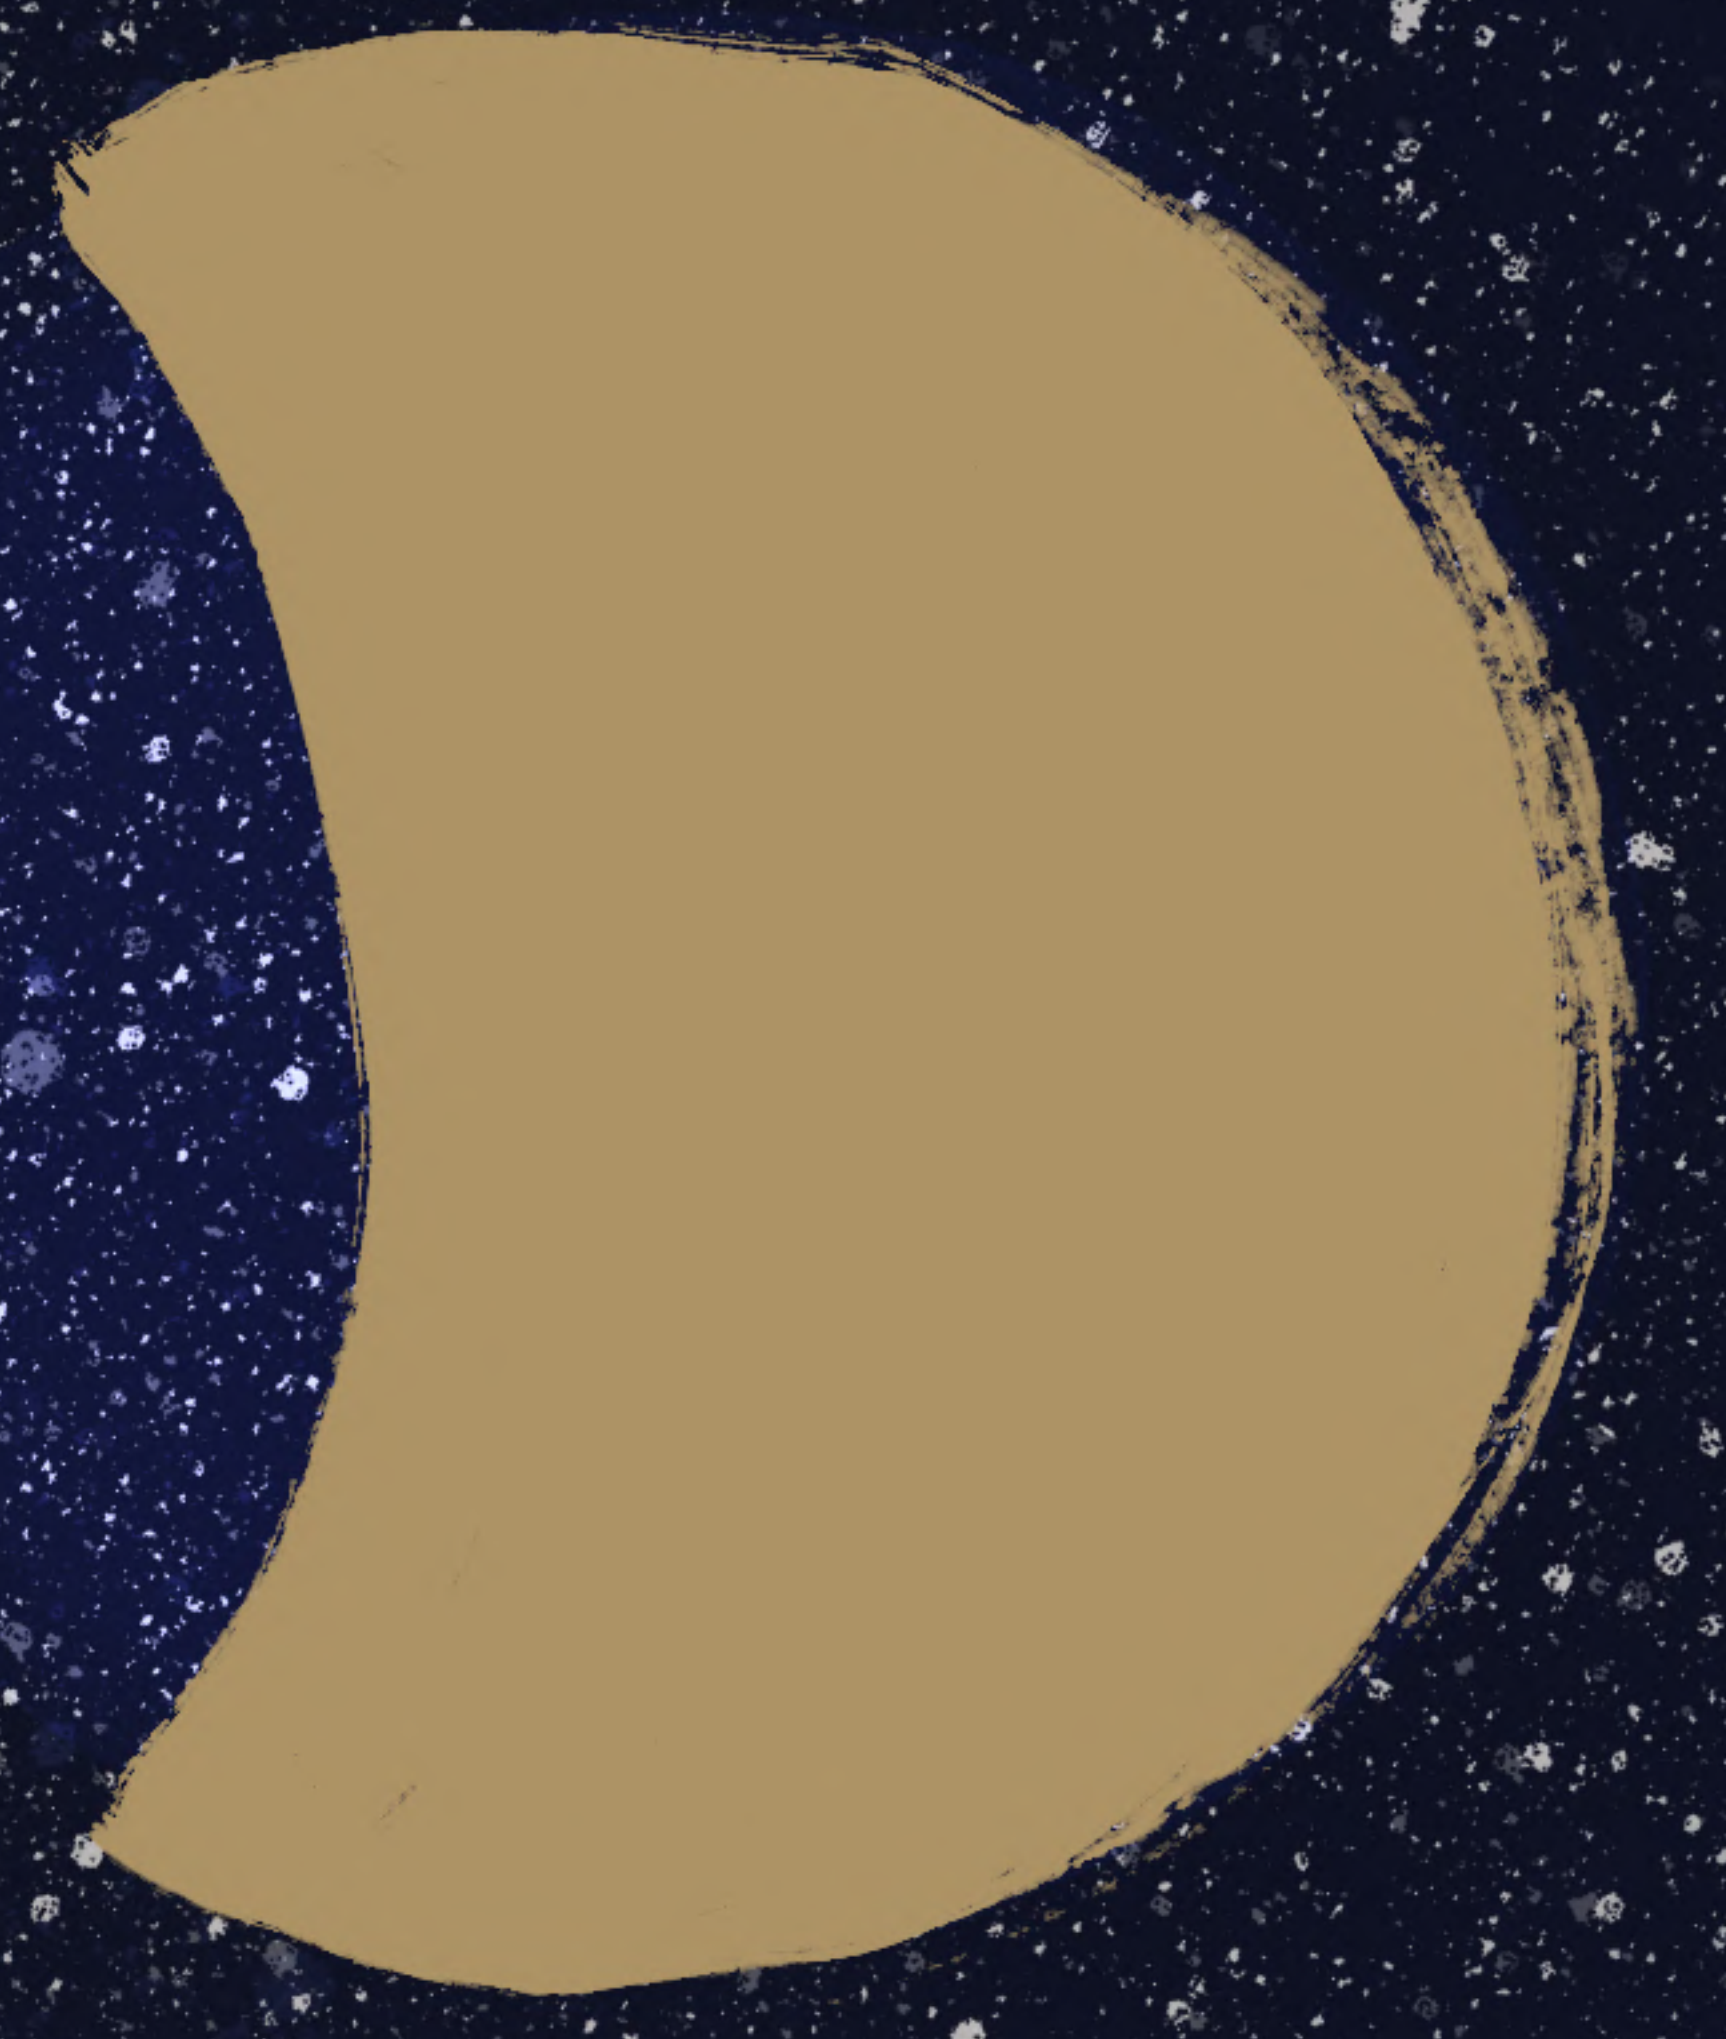

Searching for happiness
when all you needed
was hope

A hope that one day
things will be better

!!

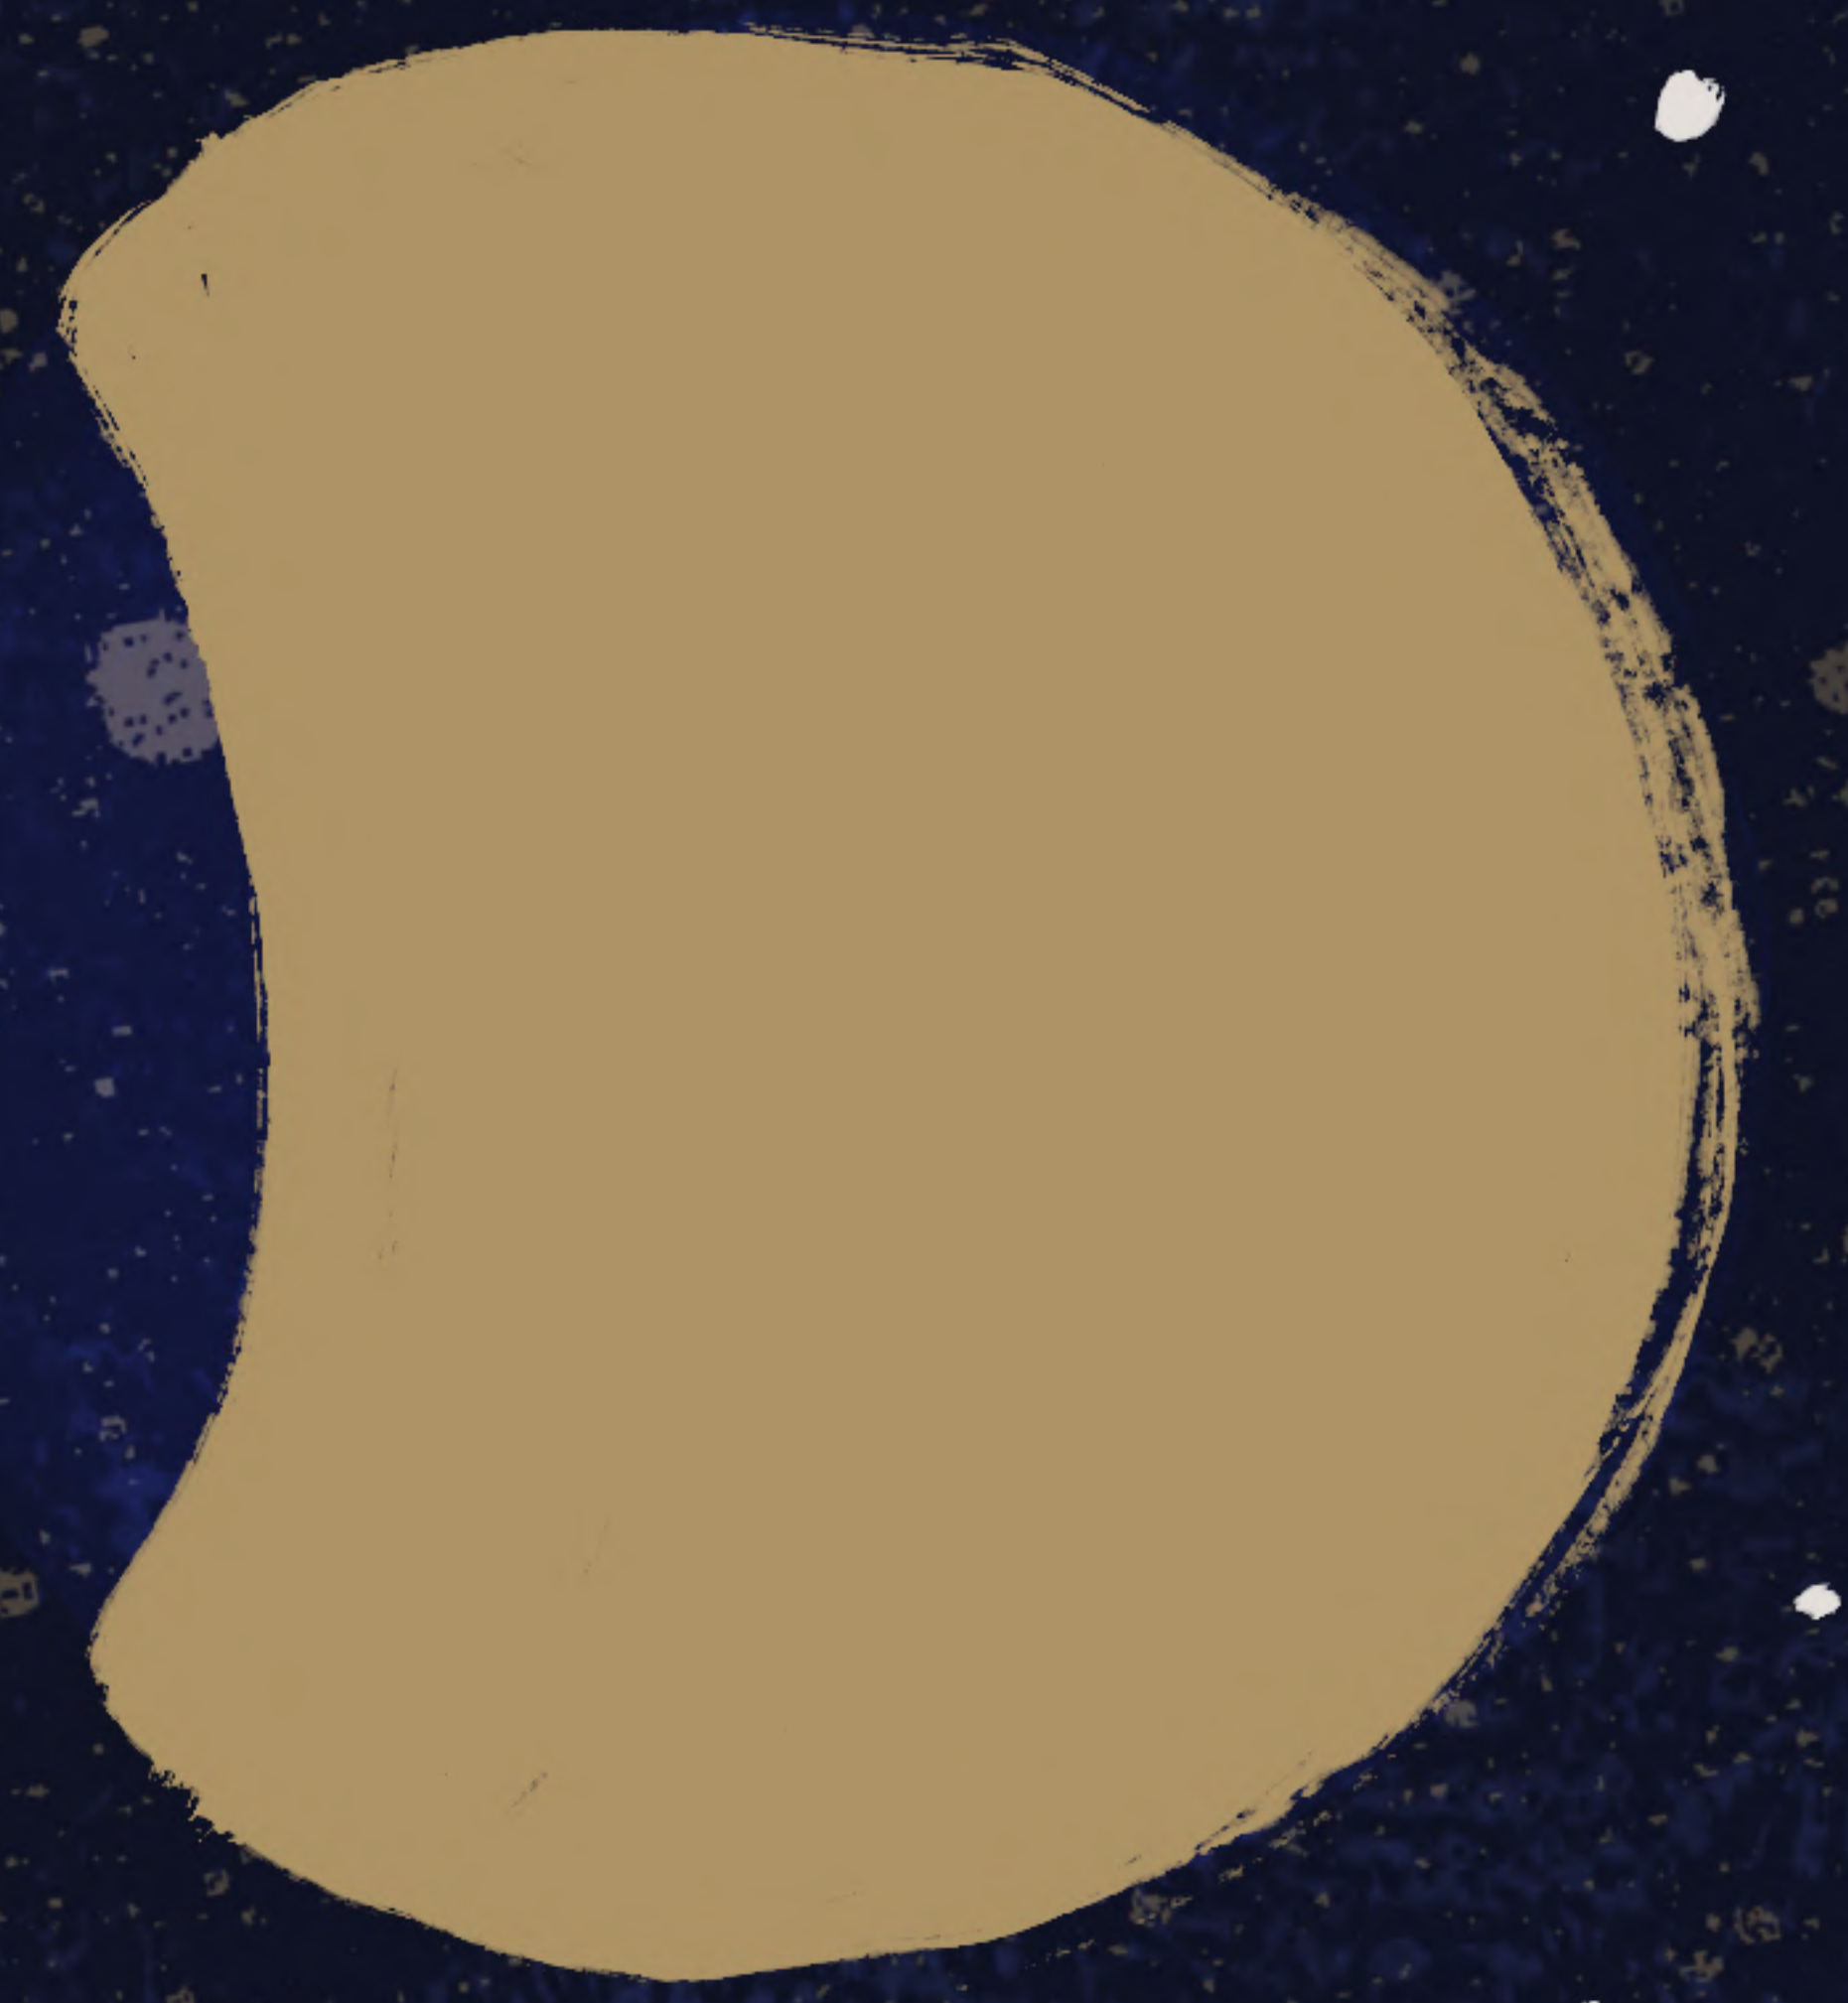

Wahs

Suddenly, life takes
an unexpected twist

“Oh! There are
others that feel
the way I feel”

W
Star!

A new
connection
begins a bold
adventure

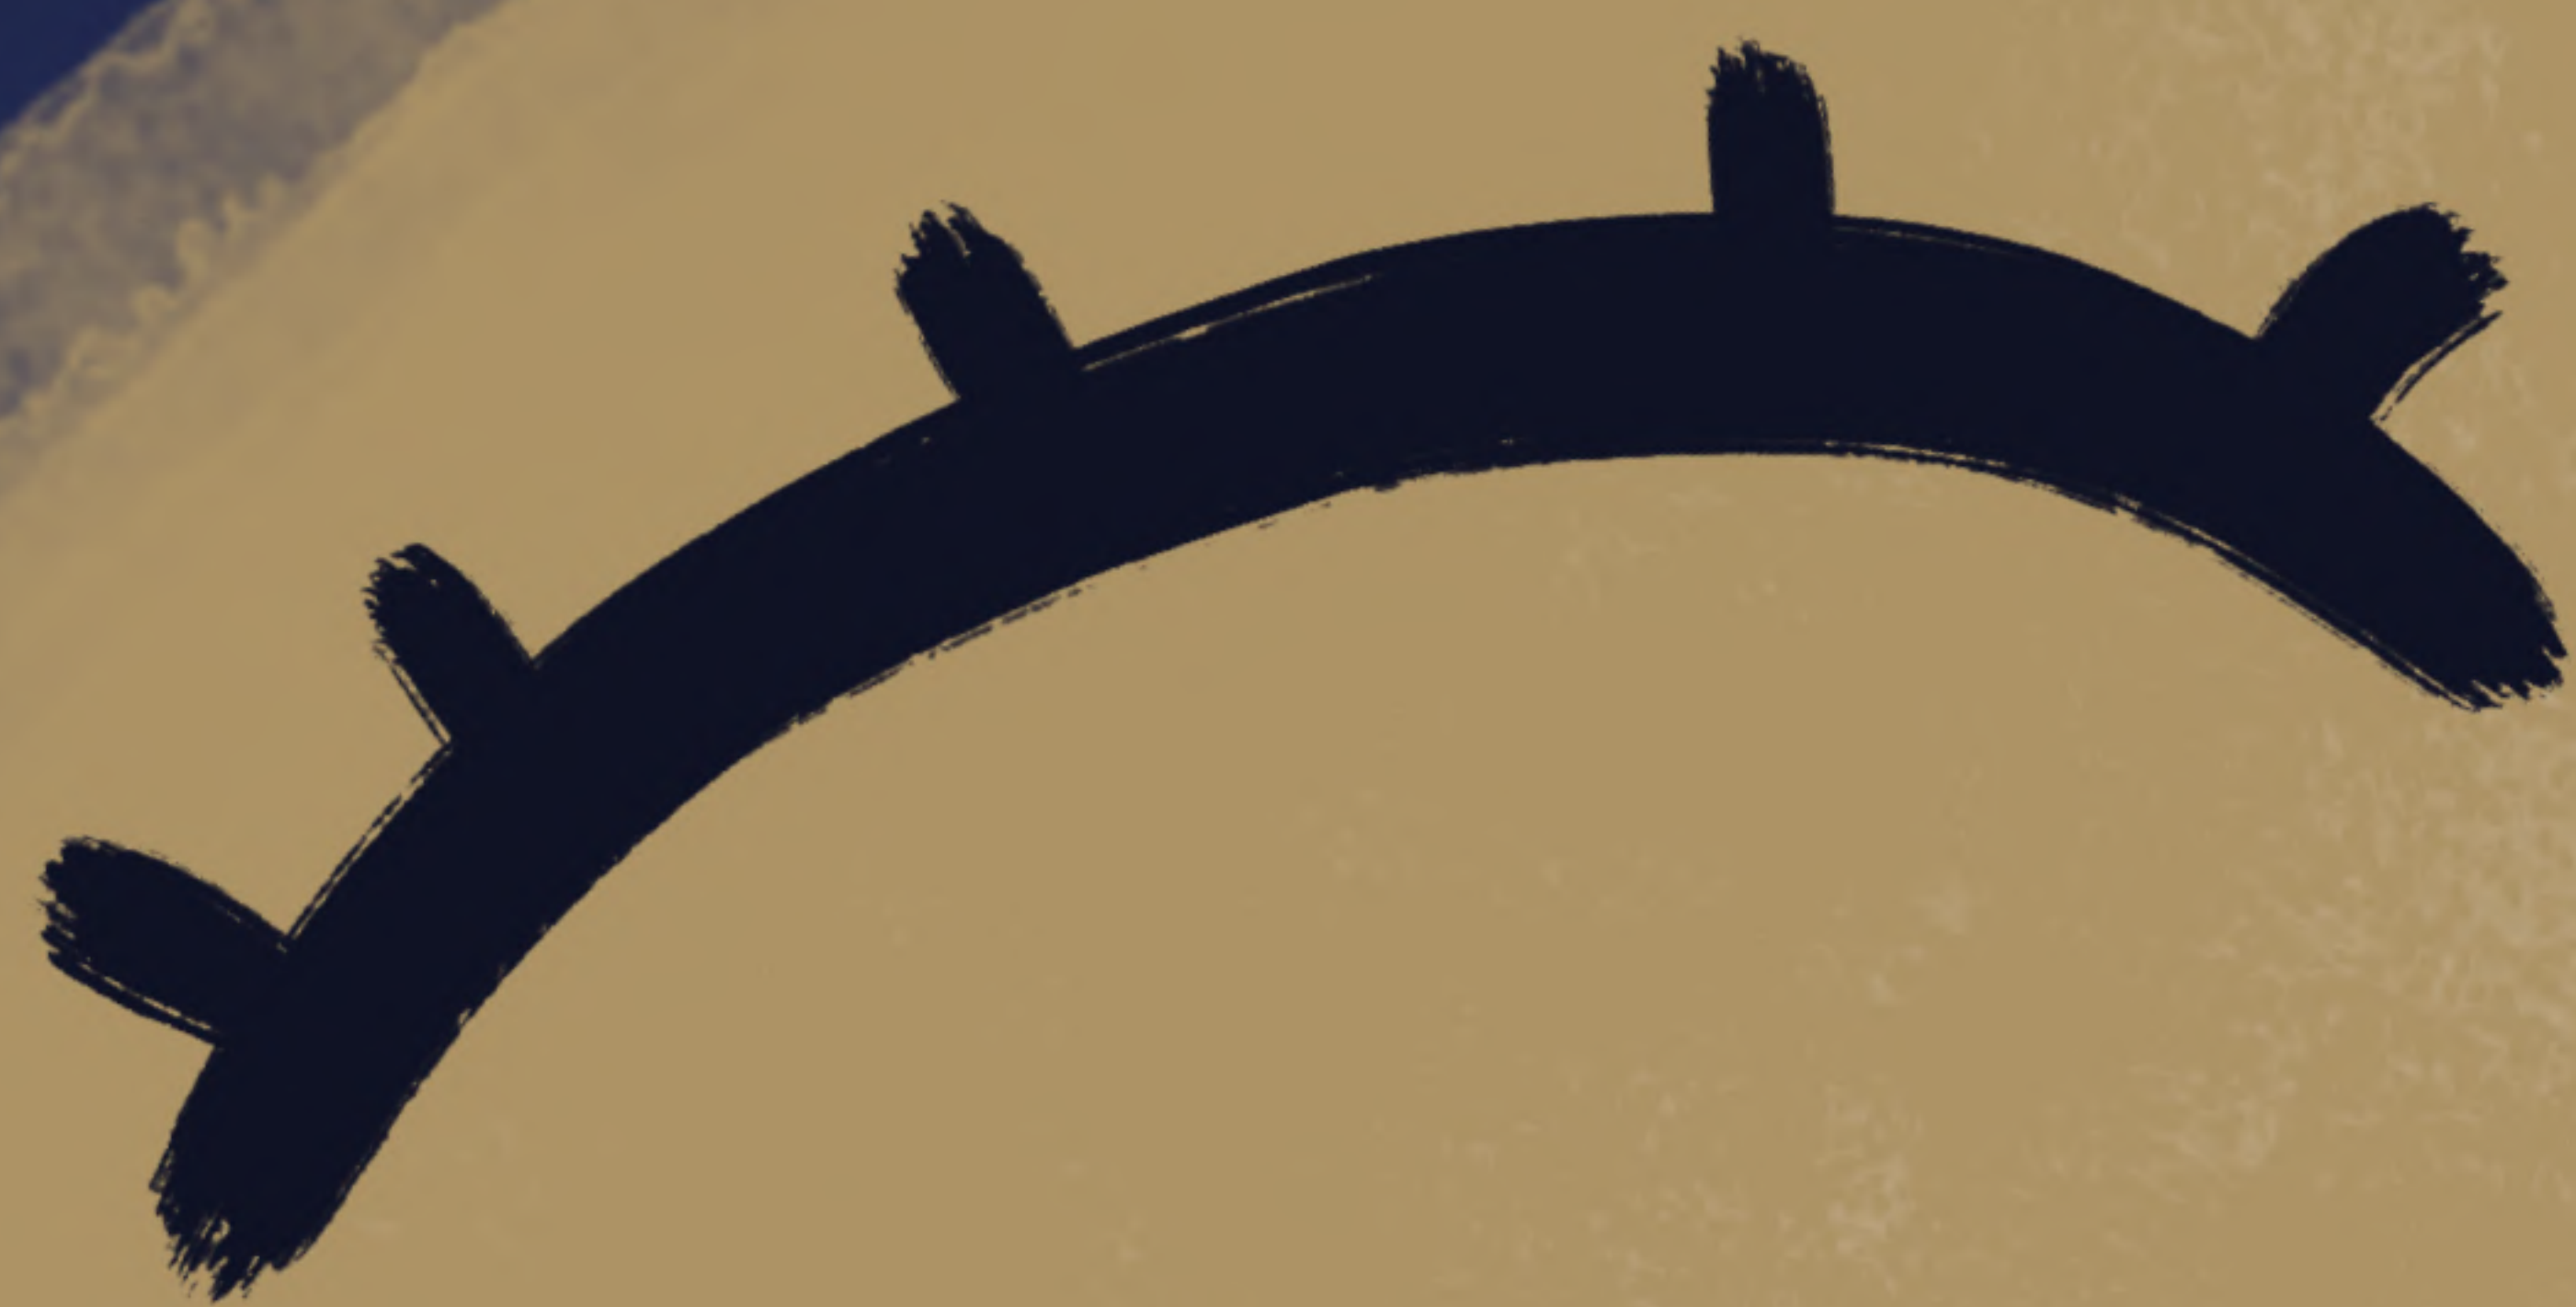

Small acts
of kindness
bring us closer
together

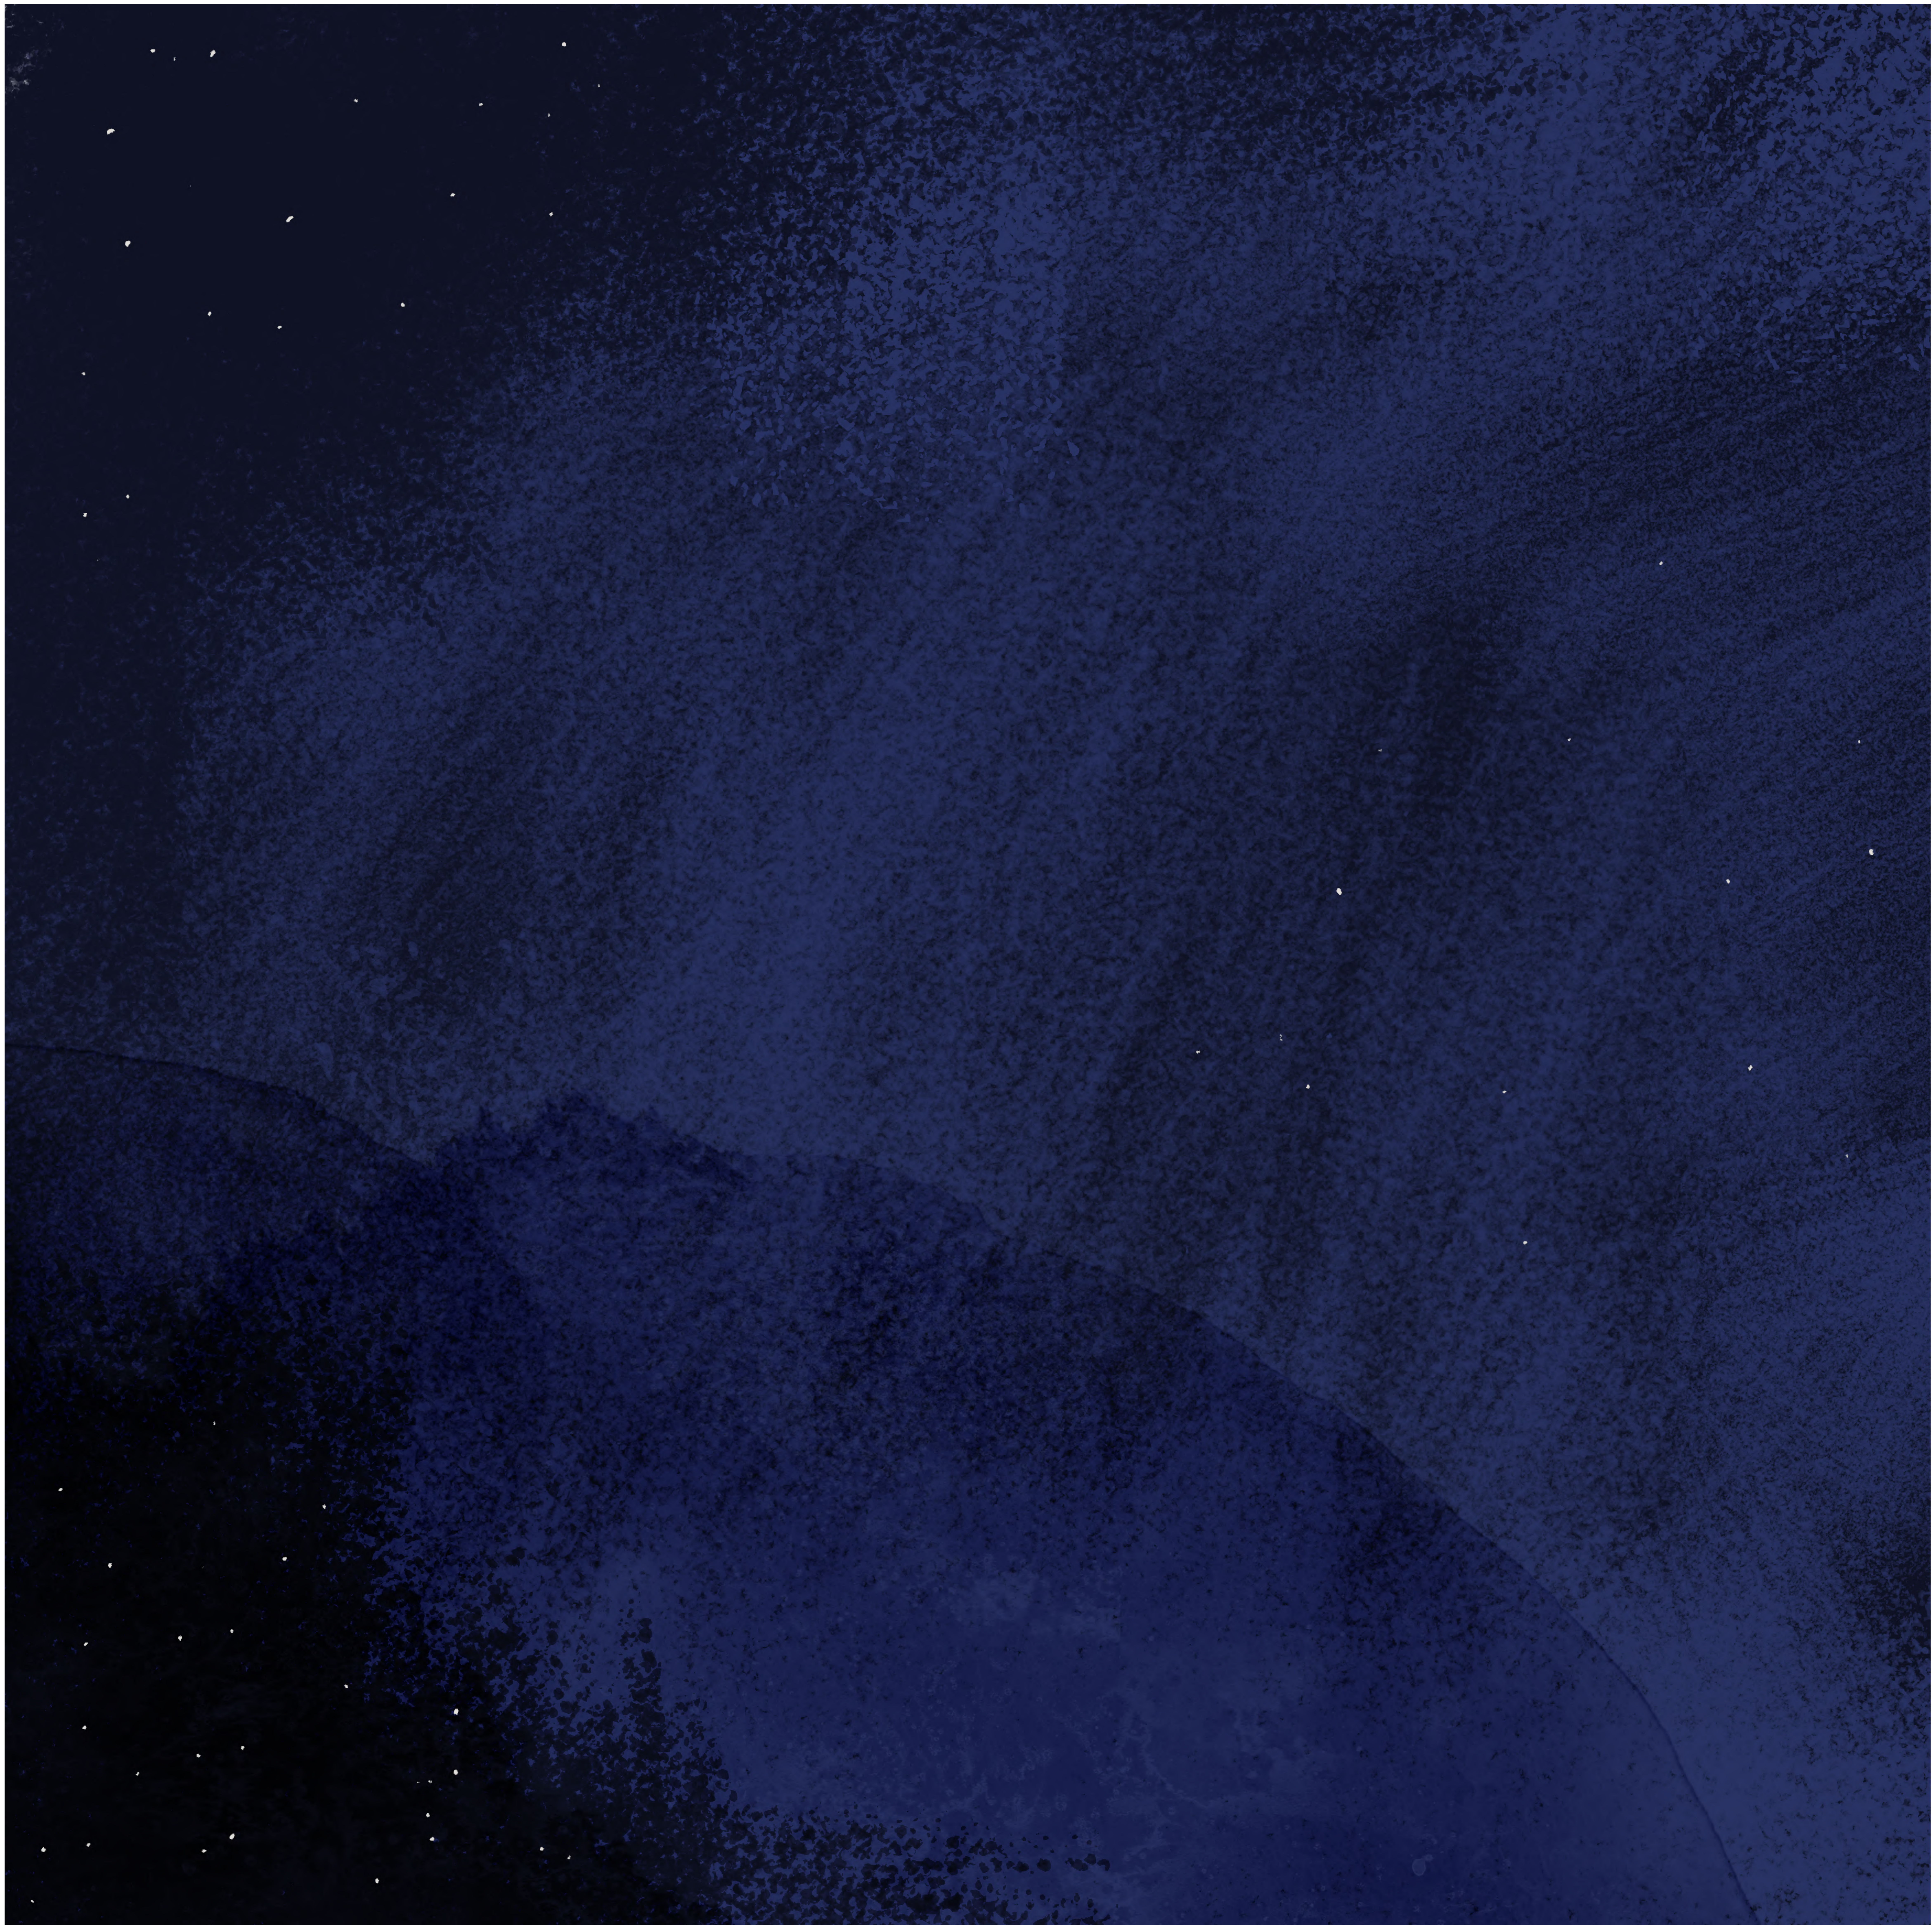

ginger

Now you know
you were **not** invisible
after all.
